Schedule Change Policy

1. **Valid reasons** for a schedule change may include: scheduling error, failing a required course, passing a course in summer school, online, night school, lacking a graduation requirement and/or lacking the proper prerequisite.
2. **Elective changes many times cannot be honored** due to teacher unit allocation and class size reduction amendment.
3. Schedule change requests will **NOT** be considered for the purpose of teacher preference.
4. Failure to complete summer reading does not constitute a valid reason for a schedule change.
5. Some change requests require an entire schedule to be altered to meet the request made, including different teachers and different class periods. Once a schedule has been changed, it cannot be changed back again to the original schedule.
6. The student is responsible for all class work from the beginning of the semester, regardless of the date the student entered the class.
7. **After the 10th day of the semester, all schedule change requests must be approved by the Assistant Principal for Curriculum, department head, and guidance counselor.**

I am aware of the programs offered to my child at Newsome High School, and I agree with his/her choices as indicated. **I have read and understand the schedule change policy.**

I have also reviewed the schedule choices on the other side of this form and I agree with the recommendations and choices. If I did not agree, I have made the appropriate corrections.

Your **FINAL** schedule of courses *will be based on final grades, most recent test scores, proficiency levels, and graduation requirements.*
