

NEWSOME HIGH SCHOOL ELECTIVE WORKSHEET 2016-2017

IMPORTANT! All 11th/12th grade students who have not passed the graduation requirement FCAT are required to be enrolled in Reading support class. Your **FINAL** schedule of courses will be based on final grades, most recent test scores (PERT, FSA, FCAT, EOC) and graduation requirements.

Schedule Change Policy

1. **Valid reasons** for a schedule change may include: scheduling error, failing a required course, passing a course in summer school, online, or night school, lacking a graduation requirement and/or lacking the proper prerequisite.
2. **Many elective changes cannot be honored** due to teacher unit allocation and class size reduction amendment.
3. Schedule change requests will **NOT** be considered for the purpose of teacher preference, and it is the student's responsibility to obtain and complete all the summer reading assignments for Honors and/or AP classes.
4. Failure to complete summer reading does not constitute a valid reason for a schedule change.
5. Some change requests require an entire schedule to be altered to meet the request made, including different teachers and different class periods. Once a schedule has been changed, it cannot be changed back again to the original schedule.
6. The student is required to take the final exam, regardless of the date student enters class.
7. **After the 10th day of the semester, all schedule change requests must be approved by the Assistant Principal for Curriculum, teacher & department head, and guidance counselor.**

For Advanced Placement (AP) Courses: Student agrees to **stay in the class for the entire year and will take the AP exam in May**. More complete descriptions can be found in the Navigator. Only complete this section if you want to take AP classes. Electives are listed on the other side of this form.

Directions for completing the next page: Choose your electives and write the class name in the class choices box at the right. Fill all the spaces with required and elective credits, including alternates. Gather any teacher recommendations in the TR ___ space either in the right column or in the list of courses for electives. Because course offerings, class schedules, and teacher hiring are based upon student requests, we ask families to plan carefully when selecting courses, as your selections dictate the schedule. *Students and parents are expected to honor their commitments made during programming.*
